**Notice of Discontinuance of Permissive Detariffing of Wireline Broadband Internet Access
Transmission Service
Effective July 1, 2011**

CC Docket No. 02-33

May 23, 2011

East Buchanan Telephone Cooperative ("Company") hereby provides notice that it plans to terminate provision of wireline broadband Internet access service ("WBIAS") on a tariffed basis effective July 1, 2011 at which time it plans to offer permissive detariffed WBIAS on a Title II common-carriage basis pursuant to paragraph 94 of the Federal Communications Commission's *Wireline Broadband Order*.¹ The Company currently offers WBIAS through Digital Subscriber Line ("DSL") Access Service under NECA Tariff F.C.C. No. 5, for which the Company is an issuing carrier. The geographic areas affected are those areas of Company exchanges where DSL is technically available.

The Company has requested of NECA that it remove the Company as a carrier listed in NECA Tariff F.C.C. No. 5 as a provider of ADSL Access Service (hereafter "WBIAS") under NECA's tariff effective July 1, 2011.

Impact on Customers:

The only customer for the Company's WBIAS is the non-regulated Internet Service Provider ("ISP") operation of the Company. The non-regulated ISP purchases WBIAS for use as a component in its DSL service sold to consumers and business customers. The discontinuance of the tariffed offering of WBIAS will have no effect on the end user service provided by the Company.

Future Availability of WBIAS on a Permissive Detariffed Common Carriage Basis:

The Company will continue to make WBIAS available on a common-carriage basis through posting of rates, terms and conditions of service on its Internet website in a manner similar to that required for interstate and international interexchange toll service under Section 42.10 of the FCC's rules (47 C.F.R. § 42.10). Any changes in rates, terms and conditions of service will be made on thirty-day advance notice to customers. Cost allocations related to WBIAS will continue to be handled under the *status quo*.

¹ See *Appropriate Framework for Broadband Access to the Internet over Wireline Facilities, Universal Service Obligation of Broadband Providers*, CC Docket No. 02-33, WC Docket No. 05-271, Report and Order and Notice of Proposed Rulemaking, 20 FCC Rcd 14853 (2005), FCC 05-150 (Rel. Sept. 23, 2005), (*Wireline Broadband Order*).

No. 5 ("Tariff"). This letter is to advise you that the Company will discontinue provisioning service on July 1, 2011 pursuant to the Tariff. Services will be made available to you on a common carrier, non-tariffed basis.
